## Mickey Keliher, Local Boy, Now With Wichita, Kans., Club

Not the kind others are selling for \$3.50 but splendid \$5, \$6, \$7.50, \$8 and a few \$10 trouserings. How can we do it? We couldn't if we had to cut them from the long piece. But these are made from suitends. Some fine goods, only you get them for half the money. All on the same counter at the one price. Go to it, Mr. Man!

local lad.

Loffier lost a good game to Manhattan yeaterday in the Independence League, putting the Meat Choppers just that much further, away from the pennant. There is little hope for the Loffier aggregation landing the bunting this year, although Manager Hill refuses to give up hope. Waiter Hughes pitched a clever game, and showed the form which earned him a great reputation last year. He allowed but two hits, one heing very scratchy, and was never in danger. Hughes won his own game by a clean single with a man on second.

Big doings are scheduled for the Northern Association at the meet-ing to-night at the residence of Presi-dent Anglin. The two leading teams— Park and Waverley—are fighting for top honors with tooth and nail, and the question of a game has entered into the confroversy.

Mickey Keither, the local boy who had a trial with the Pirates this spring, has been sent to the Wichita citub, of the Western League, by Manager Clarke.

Keither got off to a bad start with the Pirates, and was sent to Montreal, but was taken ill and ordered home to rest up.

Fred Clarke still thinks that Mickey will make a big leaguer, as the following from a Smoky City paper will show: "Speaking of the youngaters belonging to the Pirates, but now farmed out with other clubs. Manager Clarke said this morning: 'I have at least three kids who will be stars in a few years.

Look at Mickey Keither. for instance. There is a kid who will make a great with the prates in a few years.

As at the manager of the scenario."

A statement like that, coming from Fred Clarke, speaks pretty well for the local lad.
